(2023-2025)*

A white dove is shown in flight, its wings spread wide, against a dramatic sky. The sky is filled with dark, swirling clouds, and a bright sun or light source is visible in the upper right corner, casting long, golden rays across the scene. The overall mood is one of hope and divine presence.

Prayer to the Holy Spirit

Come oh Holy Spirit,
fill the hearts of the faithful
and enkindle in them the fire of thy love,
Send forth your spirit and they shall
be created, and thou shall
renew the face of the earth.

Kwaw, the Supreme Chaplain and Installation Chaplain, Sir Kt. Bro. Msgr. John Opoku Agyemang, Supreme Assistant Chaplains, I welcome you all.

Installation Officer, MRL. Sis. Margaret Gaisie-Essilfie, Installation Secretary, MRL. Sis. Dame Margaret Yirenskyi, Installation Sentry, MRL. Sis. Alice Stella Ayebi, Past Supreme Knights, Past Grand Ladies, Supreme Knight, In-coming Supreme Knight, Deputy Grand Lady, State Noble Ladies (Past and Present), Respected Ladies, my dear Sisters of our Noble and Honorable Fraternity, good evening.

GRATITUDE

With immeasurable joy, a lot of satisfaction and assurance, I welcome you all, and I am equally grateful for travelling mercies for all who have come here to witness my installation. I am humbled by the confidence reposed in me by the SPGLS and hope to do my best. I have confidence in God who has never failed me in my previous assignments that He will guide me to stand up to the task. I am gratified of the fact that I have Senior Officers and Sisters here and beyond to help me in carrying out this responsibility. I am assured that your strength can compensate for my weakness. In you all I have a feeling of assurance. Like St Paul, I say that I too can do all things through the one who strengthens me. Words cannot express my joy. May the good Lord keep and bless you.

With a joyous heart I dedicate this honor to all my sisters from the Northern part of Ghana and equally extend my gratitude to all brothers both Senior and junior members of our Regions.

I wish to acknowledge, all the SPSKS, who have one way or the other, encouraged me. To all Past Grand Ladies who have guided me and brought me this far, I am truly grateful. I thank my nuclear and extended family members, who have been a great pillar of support throughout my journey as a Marshallan.

I thank all sisters of court 12 Tamale. "**NI YEE TUMA PAM**".

I wish to express my enthusiasm and gratitude to my Installation team, for accepting to install me as the 26th Grand Lady. I pledge to dedicate my services to the growth and stability of the Noble Order, while impressing upon all Sisters to pledge their commitment for the attainment of our goals. My prayer is that God would grant us all total healing of body and soul to carry out the job assigned to us. I look forward to working with you all to the glory and honor of God.

To all Brothers and Sisters who were involved in this installation, I thank you very much. My appreciation goes to all friends, relatives and benefactors who supported me in respect of this installation. May your tenacity of faith and goodwill be sustained. Remember, Jesus Christ is alive and active in this world. We need him every day of our lives. Let us hold fast to our Christian calling e. g; salt of the earth and light of the world. Together let us strive to share in the common good of our faith. The Lord says "*For I, the Lord your God, hold your right hand; it is I.*"

who say, Fear not I will help you. Isaiah 41:13.

LEADERSHIP VISION

Kindly permit me to share my vision as the 26th Grand Lady for the Ladies of Marshall for the next two years with my team of Officers.

1. Deepen Spirituality

My dear Sisters and Brothers, I believe we joined this society, first and foremost, to help us deepen our understanding of the problems of human destiny and other related problems; problems that are relevant today and throughout all ages. How do we experience them? How do we manage to accept them with courage and peace of mind? What do we know with certainty and what do we no longer question, what do we consider indisputable and unchangeable? We need to talk about the drama of our true selves and not about the artificial roles that may be imposed on us by circumstances. We need to talk about our disappointments and our hopes; about our religious faith, our trust in God and our prayer life.

Dear Sisters and Brothers, the purpose for which groups like ours get together ought to be more spiritual than social. There is a general agreement that the reason groups such as ours exist is because belonging to a larger congregation does not always provide Catholics with the opportunities to interact effectively and beneficially. More commonly, Societies in the Church are regarded as a way of organizing our parish congregations to promote their relevance and effectiveness.

Groups and Societies in the Church have an inward, upward and outward focus. Inwardly, they nurture members and bond them to each other through spiritual growth including developing Godly interactions and skills in serving others in Christ. Upwardly, they nurture members and bond them to God through Christ. Every Christian needs to grow in intimacy with God. Outwardly, there is the need to reach out to the immediate neighborhood as genuine witnesses to Christ's saving power.

Sisters and Brothers, I would like to reiterate the fact that our Order is rooted in spirituality and that needs to be deepened. Despite the existing spiritual activities and periods in place, it is important to deepen them and take advantage of other opportunities that present themselves; or

fashion out new/additional ones to help instill the God-fearing and enabling environment in the conduct of all our affairs, so that the social impacts do not dominate what the noble order should be known for. To achieve these goals, in my tenure of office, I plan to deepen the spiritual formation of members and let gospel values inspire whatever we do. Among other things I hope to focus on, but not limited to the following;

- Using bible study outlines specially prepared by our Supreme Chaplains. for our purpose.
- Discuss and analyze the gospel/reading for the week, asking questions to clarify its meaning and apply it to our lives.
- Explaining the spiritual significance of our various rituals.
- Introducing spiritual reflections during court meetings by readers and lecturers.

I believe that these activities will enhance our house fellowship and are necessary to nurture and monitor our spiritual growth, physical wellbeing and Godly interactions of our members.

2. Unity of Purpose and Making Established Structures Work.

The goal of structures in every community or establishment is to initiate and foster unity. Unity is defined as the condition in which something forms an organic whole. Although different elements are involved, the whole is characterized by agreement and internal coherence. This definition applies on all fours to the unity I envision for our Noble Order to the extent that we share a common foundation of faith and practice. In the New Testament there is an unlimited universal dimension to the unity of believers. This unity knows no geographic or cultural bounds. It is based on Jesus whose death and resurrection opened the way to new alliances for all people.

As regards the foregoing, structures are put in place to guide and direct the unity of purpose of every believing community in the Church. Hence in my administration, laid down structures will continue to work. While welcoming wise counsel, as much as possible,

external influences or interferences will be discouraged and minimized as these impede and hamper court administration.

I am all for more vibrant and efficient structures at all levels. It is my expectation that the following efficient and transparent management systems designed to hold the society together will be given prominence.

- Application of modern technology
- Enforcement of adherence to laid down rules
- Leadership formation at all levels
- Learning lessons from our past performance and using best practice to guide decision making so that the society will be responsive to changing trends.

3. Enhance charity within and among Sisters

In the Old Testament, God told the children of Israel to be generous (Deuteronomy 24:17-22). In the New Testament, there are many examples of generosity and solidarity among local Churches (2 Corinthians 8:2). St. James in his letter recognizes that while faith alone is enough for salvation, action must flow from our faith. As he says; **"show me your faith without deeds, and I will show you my faith by what I do"** (James 2:18). He argues that it is totally inadequate to simply say, **"Go, I wish you well; keep warm and well..."** to a brother or sister who has nothing (James 2:16). We must clothe and feed them if we are to demonstrate the authenticity of our faith in Christ.

Sisters, we will do well particularly by supporting our distressed Sisters financially, to assuage the suffering of those in genuine need. Sometimes uncontrollable situations make some Sisters dormant or delinquent. We should be able to identify the challenges of Sisters on a case by case basis and support those who will need a little push to engage in some productive or income generating ventures to sustain them. The existence of Marshallan Relief and Development Services (MAREDES) is for external charity but it is important to address needs of Sisters who are in dire straits. By doing this, we will be helping to bring down the rate of delinquency among Sisters. At the end of my tenure it is my hope that delinquency would have been reduced by 70 percent up from the current level of 60 percent. While I encourage you to continue contributing towards external

charity, I want to plead with Sisters that in spite of the hard times, we should sacrifice a little to increase our internal charity works. The old saying that **"charity begins at home"** should motivate us to help our own.

4. Pay Attention to the Youth.

It is an established fact that the young are the future of any institution. It is therefore important that we pay more attention to the junior courts and councils. We need to make a more deliberate and sustained effort to involve and give them roles to play. By this we will enhance their sense of belonging and boost their confidence over time.

In furtherance of this noble objective, I exhort their organizers to intensify their efforts on the following;

- Endeavour to support through Courts and Councils, qualified but needy Sisters and Brothers in the Junior Courts and Councils to transition into the adult courts and councils. Since membership of our order is purely voluntary, we should also identify uninterested over aged Junior Sisters and Brothers and counsel them to join the Adult Courts and Councils.
- Make Court and Council meetings more engaging and participatory to ensure that the younger Junior Sisters and Brothers do not feel excluded. I therefore support the processes already set in motion to review the Ritual Books to make them more fit for purpose by giving prominence to Catholic social teachings and good character formation.
- Take advantage of the positives of ICT to initiate appropriate projects and engage the young where they can exhibit their talents and knowledge. This will make them feel recognized and appreciated and also make them see themselves as being useful to the Order.

5. Grand Court Secretariat Project

This project should be dear to the hearts of all Sisters because of the immense benefits that will accrue from it when it is complete and operational. My focus therefore will be to

continue with the construction of the Secretariat building from where my predecessors have diligently gotten to. I will strive depending on the availability of funds, to bring the project to an appreciable level so that upon completion it will be convenient and comfortable for our meetings and other events. Together let us all help to make this desire of ours work to the glory of God. I exhort Sisters to contribute their "widow's mite". No contribution is too small. Above all, remember that God loves a cheerful giver and will surely reward each giver a hundred fold.

OBITUARY

Now let us turn our attention to and remember those who are no longer with us. I would humbly request that we observe a minute silence in honor of MRL, Sister Victoria Yellu my sister and mentor who we lost 3years ago, and Sir Knight Bro Ernest Amoako Arhin, who we lost in March this year, and all other

MRLS, who have been called to glory. I humbly ask the supreme chaplain to say a prayer for the peaceful repose of their souls.

CONCLUSION

Finally, to my Installation Team, Sir Knights, Most Respected Ladies, Respected Ladies, my dear Sisters, I pledge to do my best by the power of God who strengthens me. To each and everyone here present, may God grant us all a safe journey back home," Be still and know that I am God", says the Lord. God definitely is in control. I thank you for your time, energy, encouragement and resources. Special thanks go to all those who were instrumental in making this ceremony come off successfully.

Long live our Holy Mother the Catholic Church.

Long live the Noble Order of the Knights and Ladies of Marshall.

God bless us all.

VISION DU LEADERSHIP

Veuillez me permettre de partager avec vous ma Vision en tant que la 26e Grande Dame des Dames de Marshall pour les deux prochaines années.

1. Approfondir la spiritualité

Mes chères sœurs et frères, je crois que nous avons rejoint cette société avant tout, pour nous aider à approfondir notre compréhension des problèmes du destin humain et d'autres problèmes relatifs; des problèmes pertinents aujourd'hui à tout âge. Comment nous les expérimentons? Comment pouvons-nous les accepter avec courage et tranquillité d'esprit? Que savons-nous avec certitude et que nous ne remettons plus en question, que considérons-nous incontestables et immuables? Nous devons parler du drame de notre vrai moi et non des rôles artificiels qui peuvent nous être imposés par les circonstances. Nous devons parler de nos déceptions et de nos espoirs; sur notre foi religieuse, notre confiance en Dieu et notre vie de prière.

Mes chers Sœurs et Frères, le but pour lequel des groupes comme le nôtre se rassemblent devrait être plus spirituel que social. Il y a un accord général sur le fait que la raison pour laquelle des groupes comme le nôtre existent est que l'appartenance à une plus grande congrégation ne fournit pas toujours aux catholiques la possibilité d'interagir de manière efficace et bénéfique. Plus communément, les Sociétés dans l'Église sont considérées comme un moyen d'organiser nos congrégations paroissiales pour promouvoir leur pertinence et leur efficacité.

Les groupes et les sociétés dans l'Église ont une orientation vers l'intérieur, vers le haut et vers l'extérieur. Intérieurement, ils nourrissent les membres et les lient les uns aux autres par la croissance spirituelle, y compris le développement

d'interactions divines et de compétences pour servir les autres en Christ. Vers le haut, ils nourrissent les membres et les lient à Dieu par le Christ. Chaque chrétien a besoin de grandir dans l'intimité avec Dieu. Extérieurement, il est nécessaire de tendre la main au voisinage immédiat en tant que véritables témoins de la puissance salvatrice du Christ.

Mes chers Frères et Sœurs, je voudrais réitérer le fait que notre Ordre est enraciné dans la spiritualité et qu'il faut l'approfondir. Malgré les activités spirituelles existantes et les périodes en place, il est important de les approfondir et de profiter des autres opportunités qui se présentent ; ou en créer de nouveaux/supplémentaires pour aider à instiller l'environnement craignant Dieu et propice dans la conduite de toutes nos affaires, afin que les impacts sociaux ne dominent pas ce pour quoi l'ordre noble devrait être connu. Pour atteindre ces objectifs, au cours de mon mandat, je prévois d'approfondir la formation spirituelle des membres et de laisser les valeurs de l'Évangile inspirer tout ce que nous faisons. Parmi tant de choses que j'espère me concentrer sur les éléments suivants, mais sans s'y limiter:

- utilisation des plans d'étude biblique spécialement préparés par nos Chapelains Suprêmes sur notre but.
- Discutez et analysez l'évangile/la lecture de la semaine, en posant des questions pour clarifier sa signification et l'appliquer à nos vies.
- Expliquer la signification spirituelle de nos différents rituels.
- Introduire des réflexions spirituelles lors des réunions de la cour par les lecteurs et les conférenciers.

Je crois que ces activités amélioreront notre communion fraternelle et sont nécessaires pour nourrir et surveiller notre développement spirituel, notre bien-être physique et les interactions divines de nos membres.

2. Objectif d'unité et le fonctionnement des structures établies.

Le but des structures dans chaque communauté ou établissement est d'initier et de favoriser l'unité. L'unité est définie comme la condition dans laquelle quelque chose forme

un tout organique. Bien que différents éléments soient impliqués, l'ensemble est caractérisé par l'accord et la cohérence interne. Cette définition s'applique à tout aspect et à la vision que j'envisage pour notre Noble Ordre dans la mesure où nous partageons un fondement commun de foi et de pratique. Dans le Nouveau Testament, il y a une dimension universelle illimitée à l'unité des croyants. Cette unité ne connaît aucune frontière géographique ou culturelle. Elle est basée sur Jésus dont la mort et la résurrection ont ouvert la voie à de nouvelles alliances pour tous les peuples.

En ce qui concerne ce qui précède, des structures sont mises en place pour guider et diriger le but de l'unité dans chaque communauté religieuse. Ainsi, dans mon administration, les structures mises en place continueront de fonctionner. Tout en accueillant des conseils avisés, autant que possible, les influences ou interférences externes seront découragées et minimisées car elles entravent l'administration de la cour.

Je suis pour des structures plus dynamiques et efficaces à tous les niveaux. Je m'attends à ce que les systèmes de gestions efficaces et transparents suivants, conçus pour maintenir la cohésion de la société, soient mis en évidence.

- Application de la technologie moderne.
- Contrôle du respect des règles édictées.
- Formation au leadership à tous les niveaux.
- Tirer des leçons de nos performances passées et utiliser les meilleures pratiques pour guider la prise de décision afin que la société soit réactive aux tendances changeantes.

3. Renforcer la charité au sein et entre les Sœurs

Dans l'Ancien Testament, Dieu dit aux Israéliens d'être généreux (Deutéronome 24 :17-22). Dans le Nouveau Testament, il y a de nombreux exemples de générosité et de solidarité entre les Églises locales (2 Corinthiens 8 :2). St. Jacques dans sa lettre reconnaît que si la foi seule suffit pour le salut, l'action doit découler de notre foi. Comme il dit : "Montre-moi ta foi sans les œuvres, et moi je te montrerai ma foi par mes œuvres" (Jacques 2:18). Il soutient qu'il est tout à fait inadéquat de simplement dire : "Allez en paix, chauffez-vous et rassurez-vous bien..." (Jacques 2:16)" à un frère ou

une sœur qui n'a rien. Nous devons les vêtir et les nourrir si nous voulons démontrer l'authenticité de notre foi en Christ.

Mes chères Sœurs, nous devons particulièrement tout faire en soutenant financièrement nos Sœurs en détresse, pour apaiser la souffrance de ceux qui en ont vraiment besoin. Des situations parfois incontrôlables rendent certaines Sœurs endormies ou délinquantes. Nous devrions être en mesure d'identifier les défis des Sœurs cas par cas et de soutenir celles qui auront besoin d'un petit coup de pouce pour s'engager dans des entreprises productives ou génératrices de revenus pour les soutenir. L'existence des Services de Soulagement et Développement Marshall (Marshallan Relief and Development Services-MAREDES) est destinée à la charité externe, mais il est important de répondre aux besoins des Sœurs qui sont dans une situation désespérée. Ce faisant, nous contribuerons à faire baisser le taux de délinquance des Sœurs. À la fin de mon mandat, j'espère que la délinquance sera réduite à 70 % par rapport au niveau actuel de 60 %. Alors, je vous encourage à continuer à contribuer à la charité externe, je veux supplier aux Sœurs malgré les difficultés, de sacrifier un peu pour augmenter nos activités de charités internes. Le vieil adage dit que " la charité bien ordonnée commence par soi " devrait être une source de motivation pour nous d'aider les nôtres.

4. Écoutez aux jeunes.

Les jeunes sont l'avenir de toute institution. Il est donc important que nous accordions plus d'attention à la cour et aux conseils des jeunes. Nous devons faire un effort plus délibéré et durable pour les impliquer et leur donner un rôle à jouer. Nous renforcerons ainsi leur sentiment d'appartenance et leur confiance au fil du temps. Dans la réalisation de cet objectif noble, j'exhorte leurs organisateurs à intensifier leurs efforts sur les points suivants :

- S'efforcer d'aider, par le biais de la cour et des conseils, les Sœurs et les Frères qualifiés mais nécessitant de la cour et conseiller les juvéniles à faire la transition

- vers la cour et les conseils des adultes. Étant donné que l'adhésion à notre ordre est purement volontaire, nous devrions également identifier les grand-e-s et petit-e-s Sœurs et Frères désintéressés et leur conseiller de rejoindre la Fraternité et des conseils des adultes.
- Rendre les réunions et conseil de la Cour plus engageantes et participatives pour s'assurer que les plus jeunes Sœurs et Frères ne se sentent pas exclus. Je soutiens donc les processus déjà mis en place pour réviser les livres Rituels afin de les rendre plus adaptés à leur objectif en mettant en évidence les enseignements sociaux catholiques et la bonne formation du caractère.
- Profiter des avantages de la formation informatique pour initier des projets appropriés et engager les jeunes là où ils peuvent exposer leurs talents et leurs connaissances. Cela les fera se sentir reconnus et appréciés et les fera également se sentir utiles à l'Ordre.

5. Projet de secrétariat de la Grande Cour.

Ce projet devrait être cher au cœur de toutes les Sœurs en raison des immenses avantages qui en découleront lorsqu'il sera terminé et opérationnel. Mon objectif sera donc de poursuivre la construction du bâtiment de Secrétariat du niveau que mes prédécesseurs se sont diligemment laissés. Je m'efforcerai, en fonction de la disponibilité des fonds, d'amener le projet à un niveau appréciable, une fois terminé, il sera pratique et confortable pour nos réunions et autres événements. Ensemble, aidons tous à faire en sorte que ce désir qui est le nôtre travaille dans la Gloire de Dieu. J'exhorte les Sœurs à contribuer leur " obole de veuve ". Aucune contribution n'est

trop petite. De plus, rappelez-vous que Dieu aime celui qui donne avec joie et récompensera sûrement chaque donateur au centuple.

NÉCROLOGIE

Maintenant, tournons notre attention vers ceux qui ne sont plus avec nous et souvenons-nous-en. Je demanderais humblement que nous observions une minute de silence en honneur de MRL, Sœur Victoria Yellu, ma sœur et mentor que nous avons perdue il y a 3 ans, et Monsieur le Chevalier Frère Ernest Amoako Arhin, que nous avons perdu en mars cette année, et tous les autres MRLS, qui ont été appelés à la gloire. Je demande humblement au Chapelain Suprême de dire une prière pour le repos paisible de leurs âmes.

CONCLUSION

CONGRATULATION ON YOUR ELEVATION AND APPOINTMENT AS THE GRAND LADY OF THE NOBLE ORDER OF THE KNIGHTS AND LADIES OF MARSHALL, GHANA.

“We always give thanks to God for all of you and present you in our prayers, constantly remembering before our God and Father your work of faith and labour of love and steadfastness of hope in our Lord Jesus Christ.”(1Thess. 1:2-3)

With these assuring words of St. Paul, I extend my warmest felicitations to you on your elevation and appointment as the Grand Lady of the noble order of the Knights and Ladies of Marshall, Ghana.

I have observed with profound admiration your passion for and dedicated service to the Church and humanity. Your ability to relentlessly search for solutions to problems and find innovative ways to improve the living condition of many poor children in the society is the key to this success and many to come. Through your leadership roles, you impacted great knowledge and discipline in the Noble Order and the Church at large. This demonstrates your deep sense of trust and faith in God.

May your work of faith, labour of love and steadfastness of hope make you grow in holiness of life and become truly ardent disciple of Our Lord and Saviour Jesus Christ.

Wishing you God’s blessings, I commend you to the Maternal protection of the Blessed Virgin Mary to enable you continue to be a mother for all. On behalf of my family and on my own behalf we give you this special solidarity and congratulatory message on your great elevation to the most prestigious position as the Grand Lady internationally, of the Noble Order of the Ladies of Marshall.

I was initiated into the Noble Order in 2004 and I first noticed you when you briefly educated us about the Noble Order after we shared our experiences during the refreshment after our initiation. That occasion, during monthly meetings and occasions you visited my Court, gave me and many sisters the opportunity to know more about the Order and many appreciate that there is a senior officer that is very knowledgeable in the Order and who speaks and stands for the truth without fear and favour.

You always sacrifice work and stand for the good of the Order. I love these qualities and I try to emulate them. I am happy and grateful to God because you were initiated into the Noble Order in 1982, rose through the Marshallan substantive ranks as Noble Lady, Regional Noble Lady, serving in many committees at the Court and regional levels, serving as member of the Grand Court standing for 15 years and later was elected as Deputy Grand Lady. GOODWILL MESSAGE TO MRL. SIS. PATRICIA DUNENYE ON HER INSTALLTION AS THE 26TH GAND LADY OF THE LADIES OF MARSHALL

The Lord said "This is the one - Anoint him!" - 1 Samuel 16:13

MRL. Sis. Patricia DUNENYE, congratulations on your nomination as Deputy Grand Lady and subsequent installation as the 26th Grand lady of the Ladies of Marshall. Like David you have been anointed to serve members of the Ladies of Marshall, the Marshallan Fraternity, Holy Mother the Catholic Church and humanity. Many are those who are qualified to occupy the throne but God chose you for a reason's best known to him. This is a heavy responsibility that has been placed on your shoulders but the same God who gave you this duty to perform will give you the necessary graces to accomplish it to the Glory of His name.

You joined the Noble Order several years ago and rose through the ranks. Among the numerous positions you held in the Noble Order are Noble Lady, Regional Noble Lady, Grand Court TESMAG Coordinator and Standing Committee Member to mention a few. You performed creditably in these roles and served as a mentor and role model to many sisters of the fraternity.

You became a force to reckon with at all levels of the Ladies of Marshall. Therefore, your nomination as a Deputy Grand Lady and subsequent installation as Grand Lady did not surprise many, for it was well known that your level of contribution makes you deserving the position. In secular and working life you have also gathered experiences from the Church and the secular world will no doubt make you a great leader. While striving to serve in this position be a servant leader as exemplified by Christ Himself. In Matthew 20:25 - 28, Jesus told His disciples "You know that the rulers of the heathen have power over them and the leaders have complete authority. This, however is not the way it shall be among you. If one of you wants to be great, he must be the servant of the rest; and if one of you wants to be first, he must be your slave - like the Son of Man who did not come to be served, but to serve and to give His life to redeem people." It is expected that you will be guided by this.

To be God's kind of leader you need to be patient, humble, courageous, faithful and reliant on His Grace which I believe you already are. I am confident that like your predecessors especially the Late MRL. Sis. Vitoria Yellu, 1st Grand Lady from the Tamale Ecclesiastical Province, you will excel. Being the 2nd Grand Lady from the Tamale Ecclesiastical Province is a great milestone worth celebrating! Like many others, I wish you a very successful tenure. Congratulations once.

To God be the Glory.

We are incredibly proud of all you have accomplished knowing that the Lord blessed you to bless all of us.

Your accession to the highest throne of the Ladies of Marshall makes us believe that hard work pays and also serves as an inspiration to all the younger Sisters and Brothers who look up to you. I have no doubt that you were chosen to make a difference and am convinced that during your tenure, some vigour and dynamism would be injected into all activities of the Grand Court. Please do go by the adage that, "Do not follow where the path may lead. Go, instead, where there is no path and leave a trail."

We wish to assure you of our prayer support as you take up this sacrificial but rewarding assignment in the Lord's Vineyard. Do not hesitate to turn to your brothers and sisters in your Region when there are challenges, for together, you would succeed.
